

CENTRE FOR
MOLECULAR BIOLOGY
AND NEUROSCIENCE

Welcome!

Celebration of 10 years with the CMBN

October 18, 2012

Rotunden, Domus Medica II (DMII)-Annexe

- 10:00** **General session!**
- Message from Professor Ole Petter Ottersen, Rector UiO
The Life Science Strategy of the University of Oslo
- Message from Professor Frode Vartdal, Dean of the Faculty of Medicine, UiO
- Message from Professor Ole M. Sjerstedt, Chairman of the CMBN-board
- Message from Anders Hanneborg, Executive Director, Division for Science, the Norwegian Research Council (NRC)
Major Funding of Basic Research in Norway - building the knowledge nation
- Message from Professor Peter Agre, CMBN Guest Professor
- Message from Professor Vilhelm Bohr, CMBN Guest Professor
- 11:00** **CMBN Highlights:** CMBN Director Professor Tone Tønjum:
The Journey of CMBN – A 10 year project
- 11:30** **Lunch in the Mezzanine, DMII-Annexe**
- 12:30-16:00** **Presentation: Achievements by the CMBN research groups**
- 12:30 Laboratory for Molecular Neuroscience, Mahmood Amiry-Moghaddam
- 12:45 Laboratory for Molecular Biology, Magnar Bjørås
- 13:00 NeSys - Neural Systems and Graphics Computing Laboratory, Jan G. Bjålie
- 13:15 The Neurotransporter Group, Niels Christian Danbolt
- 13:30 Laboratory for Genome Repair and Regulation, Arne Klungland
- 13:45 Molecular and Cellular Basis of Microbial Pathogenesis, Mike Koomey
- 14:00** **Coffee break**
- 14:15 Cellular and Genetic Therapy Research Group, Stefan Krauss
- 14:30 Bioinformatics Group, Torbjørn Rognes
- 14:45 Brain Signalling, Johan F. Storm
- 15:00 Synaptic Neurochemistry Laboratory, Jon Storm-Mathisen
- 15:15 Genome Dynamics and Microbial Pathogenesis, Tone Tønjum
- 15:30** **Closing remarks:** Professor emeritus Lars Terenius, Karolinska Institutet, Stockholm,
CMBN Board Member
- 15:45** **Aperitif in the Mezzanine, DMII-Annexe**
